

Storage of Firearms in Thailand

For those participants who wish to travel or holiday in Thailand before and/or after the competition and if they wish, they may deposit their firearms with the Tournament Organizers during that period for safe storage and transport to and from Suvarnabhumi International Airport.

The **COSTS** for this additional service are as follows:

- The costs will be USD150.00 per firearm for 10 days, payable in cash on deposit of firearm. If your deposit time is less than 10 days, you still be fully charged.
- If the specified period of 10 days is exceeded, an additional cost of USD20.00 per day will be charged.
- We regret no credit cards can be accepted, cash payment only.

Please refer below for details of handing over and receiving firearms.

Procedure for Depositing Firearms Before the Competition

For the depositing of all firearms before the competition, **please complete all information required in the Google Form attached**. After that you will receive the confirmation of receipt by E-mail.

After passing through the Customs Clearance at Suvarnabhumi Airport you must deposit your firearms at the **MEETING POINT (GATE 1, LEVEL 2) with the Tournament Organizers who will meet you on your arrival. (Contact WhatsApp : +6696 787 4563)** Please show your passport and gun permit to them and you will be issued the deposit confirmation documents at this point.

You can receive your firearms **from the Tournament Organizers equipment check area at the Shooting Range**, however the dates for this service will only be on **28th November 2023 (First Day Equipment Check)** and **1st December 2023 (Fourth Day Equipment Check)**.
